Let's not forget the OVSC Race trip to Canaan Valley on 2/25 through 2/27 led by our own John White & Mario Serraglio. Then our last scheduled 2 races on March 4th at Clear Fork. If this race takes place we will have our annual cook out after the last race! Whew! I'm worn out already.

If you would like to learn more about making skiing in Ohio fun stop by the race table at the next meeting and a friendly racer will assist you! Or call Ed Hilbert (527-0646) or Beth Mitchell (844-5018).

## ATTENTION MEMBERS!

You can recycle your Christmas cards and help the kids at St. Jude's Ranch for Children. Just bring them (the cards, not the kids) to the Ski Club meeting and deposit them in the box at the Membership Table.

Thanks! And Happy New Year!

This is a reminder to all of you that the 2000 Columbus Ski Club directory that you have received in the mail is more than just a list of addresses and phone numbers of club members. In the event you have a question or concern, there is a list of all directors and chairpersons along with their responsibilities. If you want to contact another member, but are not sure of their last name, there is an alphabetical listing of all members by their first name. Many E-mail addresses are also listed.

In the front, you can read the ski club's constitution and bylaws. There is a list of anticipated activities that the ski club will be sponsoring in the new year.

And, very importantly, there is a set of Yellow Pages in the back of the directory which includes businesses that are either owned by members of the club, or are associated with the club in some other manner. They may be run by people you know. Please patronize these businesses. Their advertisements have greatly helped in offsetting our cost to print the directory.

Thanks.

## DIRECTIONS . . .

### News & Views from the Board of Directors

#### STEP UP TO THE PLATE

It's time for each of you to step up to the plate (the ballot box, that is) and be heard. As you know, Board elections are just around the corner. What better way to put something of yourself back into the Club. One way is to cast an INFORMED vote for 4 members who will best represent your interests in Columbus Ski Club. Don't just vote for an individual because you recognize the name, or because he/she is popular. Read the bio's on each candidate, soon to be printed in the TRACK; contact those running for Board positions and find out where each stands on issues and concerns similar to yours.

Better still. . .

Why not consider running for the Board yourself? Such a commitment entails a STRONG presence at membership meetings. Attendance at monthly Board meetings (4th Wednesday of the month) and occasionally at special meetings called by the President, as needed. Additionally, each Board Member serves for a period of 2 years and must either be an Officer (President, Vice-President, or Secretary) and/or take charge of one or more committees.

MOST IMPORTANTLY. . .being a board member is the most rewarding way of being active and involved in keeping the Columbus Ski Club the largest and best ski club in the Ohio Valley Ski Council and probably in the entire midwest. At least that's what it has meant to me. Now, it's time for YOU!!!

Sincerely,  
Sally Miller, Board Secretary

Since the introduction of this article by the Board Of Directors, there has been one common reoccurring theme, VOLUNTEERISM. Without it, an organization this size

could not function and offer its membership the many diverse activities you enjoy. Not only does the membership benefit, so do many Central Ohio charitable organizations the club supports.

Without question the single largest activity the club offers is upon us again. "SOFTBALL" The "Softball Czar" and his many committee members (volunteers) have been and will continue to be hard at work. This committee's efforts enable the CSC members to enjoy one of the best, if not the best, softball programs in Central Ohio.

This season there will be 36 coed social softball teams, two competitive teams and one Men's Over 40 team being offered. All of this leads up to the "end of season" tournament and party. Jeff Norris who did a "grand slam" job as last year's Czar is relinquishing his "throne" to Greg Slater. Rest assured, Greg will uphold the "high standards" and "traditions" that Jeff and those before him have established. There is one person who never gets recognition for all the hard work that goes into this activity. However, she is always in the background supporting the Czar, and that is the Czarette or better known as the wife. Nancy, we give Jeff back to you with heart felt thanks and gratitude. For Sally (Greg's wife) we pray you and Rachel make it through the season.

For those of you not into softball or who need to keep active, we have many more activities for you. Following are a few of the other sports activities offered throughout the year: Bowling, Dart League, Coed Basketball, Tennis Lessons, Golf Lessons, Golf League, Roller Blading Lessons, Sky Diving, Volleyball, Soccer, and Co-ed Flag Football. If you need more information on these activities or if you would like to suggest something new, please feel free to call me anytime.

To all of my volunteers, there are too many to mention by name, I thank you for all of your help and patience. Please keep up the good work.

I will close with one thought, "we all play to have fun and there is no "I" in team. Supporting vs. condemning your team mates, no matter what, make it more enjoyable for everyone."

**LET'S ALL GO OUT AND HAVE  
FUN!!!**

Les Taylor, Board Member, Sports
